Commander
U. S. Air Force
Columbus Air Force Base
Columbus, Miss.
Dear Sir:

38829

My teen age son (14) while
vacationing with his brother and
family in the vicinity of Gatlinburg
Tenn. last July or Aug. took a
number of pictures of local scenery.
We had these pictures developed
first of March.

On one of these films there is
an unexplained air horned object
with so much publicity on
U.F.O. we are wondering if that is
what this is.

If you will forward this letter
to the proper Department, films
will be gladly sent for examination
by the proper authorities.

Sincerely,
